

TANGO LIVE AGENCY

What Is Tango App?

What is the Tango live stream app? Well marketing says HD video calls, stream live, be a star, get gifts from fans, have fun with mass chat and call with people who matter most.

Tango live is a social network and messaging app for phones or tablets that uses geolocation users can make video or audio calls. Users mostly use tango to livestream videos. Users who livestream can **receive gifts** from their fans which can be redeemed for real money or actual cash. Tango app also has a social network where users shares photos and videos with their followers and see updates from users they follow.

Anyone on tango live app can see who else is currently using the app within a four-mile radius through the phone's GPS and connect them randomly.

BECOME TANGO HOST

Tango Live Stream

Tango live app is a great **opportunity for streamers** who maintain high level of performance among people, make own revenue and work directly under agency to get local support, Achieve targets, get hosting

approval, etc.

Hosts need to make sure your to reach their targets and deliver commitments. Payment to hosts will take place once a month by the 10th of every month. I'll be a good agency as I'm good in conversation with people and smooth with making connections with very well known personalities.
