Imitation Kundan Jewellery Online In India

- **Kundan Jewellery** originated in Rajasthan but later it was taken by the Mughals. It was built many years ago by Rajputs. It is most famous in Bikaner and Jaipur but Jaipur is considered to be the originating place of Kundan jewellery. At present time **Imitation Jewellery** is in high demand because of its traditional touch and affordable price. It was worn by the Mughals and Rajput mostly so it became a sign of royalty. There are a lot of options available for **Imitation Kundan Jewellery Online In India**.

Types Of Imitation Kundan Jewellery

- **Pearl Jewellery**: The queen of all gems is known as Pearl. It is for those brides who want to use less jewellery and it will add royalty to the bride's look because of its uniqueness. You can wear other pieces of jewellery like earrings and bracelets and these combinations will make you look like a princess and add some stars to your appearance.
- **Mughal jewellery**: Many actresses like Deepika Padukone and Aishwarya Rai have worn Mughal jewellery in their films. After that, this becomes a trending piece of jewellery in India, not only gold and silver but **Artificial Jewellery** is also in high demand. Many modifications have been done to the design of Mughal jewellery to match the modern jewellery requirements that make it a perfect set of bridal jewellery.

Artificial Jewellery

- **Artificial Jewellery:** It refers to jewellery that is not made up of natural materials like gold and silver but artificial material that gives looks and feels like a piece of original jewellery. As it is cost-effective and comes in a variety of designs its demand is increasing in India. Among middle-class families, the craze for artificial jewellery is increasing day by day that is why **Artificial Jewellery** stores are found on the streets and also online.
