A rustic, handmade-style tag with a textured, light brown background. The tag is rectangular and has a small hole on the left side, through which a dark, thin cord is threaded. The tag is placed on a wooden surface with a visible grain. Three white daisies with yellow centers are scattered around the tag: one is in the foreground to the right of the tag, and two are in the background, slightly out of focus. The overall scene is warm and natural.
