INDUSTRIAL SUPPLIES IN UAE

OKI Bering ME, an Essendant affiliate, is a top-tier, really 100% wholesale partner that has been servicing Middle Eastern and American manufacturers and distributors of welding, safety, and industrial equipment since 1999. Since the beginning of our business, we have exclusively sold through approved and recognized distributors; we are not associated with, nor do we possess, any distributors or end users. OKI Bering ME is still offering distributors a wide range of high-quality products, together with the most comprehensive service and solutions. With a committed sales team, OKI Bering, based in Dubai's Jebel Ali Free Zone in the United Arab Emirates, efficiently and effectively services the whole Middle East and African region.
