

LUBRICANT SUPPLIERS IN DUBAI

ABOUT US

We have generously invested in the development of the Dufe Lub brand, which is designed to meet a wide range of client needs and key OEM recommendations. In accordance with API specifications and standards, we manufacture the entire line of automotive, industrial, and marine lubricants in all relevant SAE grades. In addition, we offer industrial gear oil, compressor oil, turbine oil, hydraulic oil, and heat transform oil. High-quality virgin base oils, genuine and tested additives, such as those from Afton, Innium, Lubrizol, and Chevron with approved and patent formulation schemes, are blended into our products to create a far superior product with longer drain times, better engine protection, less oil consumption, less wear and tear, and easier start-up.
