

How to style shrugs for women

With summer rapidly approaching, it's time for everyone to gather their summer wear and be prepared with their outfits. Styling in the summer can be confusing – you need to wear breezy and breathable clothes that are not too tight but are also stylish and trendy. To aid this, the trend that has endured through time is **shrugs for women**. They have made a strong impression on women all over the world – with their ability to be worn over anything, be it a top or a dress, they can be styled effortlessly with any type of blouse.

Shrugs are available in a variety of styles, sizes, lengths, colors, and patterns, and can be worn for all types of occasions, be it formal or casual. In this blog, let's dive headfirst into the different ways you can style these shrugs in a way that fits your fashion requirements without compromising on the current trends.

Pair it with a skirt

If you want to do more in less, the simplest way to style a **shrug for women** is by pairing it with a skirt. It can take your look to a whole new level by turning even the simplest of clothes into a fashionable outfit just by adding a shrug that suits your style, outfit, and the occasion you are

dressing up for. For a classic look, you can go for a pencil skirt paired with a stylish shrug. The combination of shrugs and skirts gives you a more feminine look that you can never get enough of.

Long Shrug Dresses

The trend for long women's shrugs has taken the world by storm. In every type of attire, long shrugs give off a different vibe, proving to be a truly versatile piece of clothing. If paired with jeans or shorts and a skin-tight top, a long and flowy shrug gives off a very relaxed vibe; these days a number of shrug dresses for women are also available in the market in formal, casual, as well as traditional outfits.

Combine it with a pair of jeans

Any length of shrugs can be perfectly paired with a pair of jeans – it can add a dash of sophistication and elegance to your outfit, and elevate it from just another outfit with denim to a fashionable look. You can wear a pair of skinny jeans with a tank top, and add a chic shrug that can give you an effortlessly casual look.

Cropped shrugs with kurtis

Another sophisticated look almost every woman seems to love is that of cropped shrugs. You can pair such cropped shrugs for women with any type of top wear, but it looks best with an elegant kurti that matches your inherent Indianness as it creates a look of fusion that dances on the edge of tradition and comfort.

Concluding thoughts

Shrugs are not just a pieces of clothing – they add an unsaid elegance and chicness to your look that matches your outfit in a way that accentuates the grace and style you hold. **Shrugs for women** have stood the test of time and how! Check out Style Quotient's range of shrugs today.
