In this blog, let's dive into the types of **casual jackets** available for men as well as women and how they can make you look more polished.

### **Bomber Jackets**

The perfect choice, if you are looking for casual winter jackets, is the bomber jacket. It adds an edge to your overall outfit and sets you apart from everyone else. It can be used as a layer to your look during the frostiness of winter and a statement piece during other seasons – it is not bulky, making it one of the best choices for casual jackets for women and men. It is not just an item of casual wear now, it has been adapted to

# Style Quotient

ramps and used by celebrities as well, making it a popular choice. The best thing about a bomber jacket is that it can be paired with any type of outfit, be it a simple jeans and a t-shirt or a dress. These jackets add enough warmth and still keep your style intact.

## **Lumber Jacket**

Donning a lumber jacket can instantly take your style quotient on the rise because of its elite style and casual approach. It adds the perfect amount of fashionability to your look, all the while enveloping you for warmth in the cold weather. It pulls your casual look together and makes you look well-put and sophisticated. It is typically an oversized fit, which makes you have a chic and laid-back look. Such jackets can be worn all year round, as they give off a classic vibe that is bound to stick around for years.

## **Biker Jackets**

If you want to elevate your style, you should go for biker jackets as they epitomize the casual look by adding a bold accent to your outfit. Such casual jackets for men and women are also known to provide considerable warmth as they are made from leather that gives them a youthful look. It has a tailored fit that makes you feel comfortable as the material used is breathable. They are available in a variety of colors and textures, so you are sure to find your preference.

## **Denim Jacket**

A denim jacket is an evergreen piece of clothing that almost everyone has in their closet – with its versatility of being paired with any type of outfit, it is a popular choice among men as well as women. The best part about denim jackets is that they look good on everything. Made from good-quality material, it adds a nice layer of clothing to make you look stylish. Such jackets are also durable as denim as a material is so wholesome that it lasts for years.
