

# Welcome to Judge Hardware – Your Trusted Source for Brass Door Push Plates

---

Brass door push plates are essential hardware components designed to protect doors from wear and tear caused by frequent use. At Judge Hardware, we specialize in high-quality brass door push plates that combine durability, functionality, and aesthetic appeal.

# Features and Benefits of Brass Door Push Plates

- Premium Quality Brass Material: We use 100% solid brass ensuring excellent longevity and resistance to rust.
- Variety of Sizes: From small plates for residential doors to large plates for commercial doors, we provide multiple sizes.
- Smooth Finish: Polished or satin finishes are available to match your design preferences.
- Pre-drilled Holes: For easy installation without the need for additional tools.
- Customizable Options: We offer custom engraving and sizes to suit specific project needs.

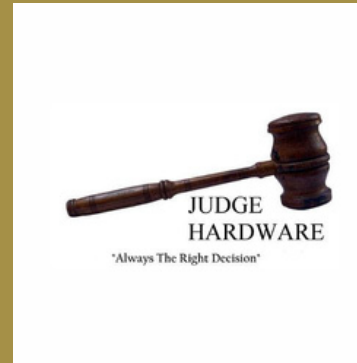

# Why Choose Judge Hardware for Your Brass Door Push Plates?

At Judge Hardware, we understand that hardware is not just functional but also a design element. That's why we offer only the finest brass door push plates crafted with precision and care.
