

Forge FR

Forge FR is a trusted provider of premium flame-resistant workwear designed for safety, comfort, and durability. Since 1996, we've been outfitting welders, oilfield crews, and industrial workers with FR shirts, pants, and protective gear that meet the highest safety standards. Built for tough environments, Forge FR delivers reliable workwear that keeps professionals safe on the job.

About us

At Forge FR, craftsmanship meets modern design. We create premium, durable lifestyle products with precision and purpose. Built on passion and innovation, every piece reflects strength, functionality, and timeless aesthetics. Our commitment to quality ensures exceptional performance, whether for everyday use or bold adventures. Inspired by resilience and forged for excellence, we aim to deliver products that empower individuals and elevate experiences. At Forge FR, we don't just build products— we forge trust, style, and lasting value for a community that chooses power with elegance.
